Other

Languages

English, good comprehension and good writing and reading abilities.
Norwegian, Native language.

Courses **Grasrottrener part 1**, Espen Pedersen

Course as soccer trainer for child and youth teams.

Sign language course, Lauvmakken barnehage

2 day introduction course to sign language during my time working in kindergarden.

Data, Self learned

I have always had a great interest in data and computers, which has made me pursue self learning in swift, swiftUI, HTML, and CSS. Learned from youtube tutorials, Udemy courses and other learning platforms.

Freetime interests

During my free time I like to pursue other hobbies and activities. I enjoy watching football with friends, learn and work on Swift and app production as well as HTML and CSS. I have a great interest in music and spend some time playing the piano and guitar as well as producing music. I also enjoy helping with concerts and events that are taking place.
